### Our Emergency Food

**Cupboard** is now fairly depleted. We don't know just what the consequences of Brexit will be but if there are shortages and/or higher prices it will be the most vulnerable who will be most affected. Requests for help do not come very often, but there may well be more in the months to come. Can you help with a couple of tins or packets of food? Things like meat-based products, tinned vegetables and pasta would be particularly useful. Thank you for any contributions.

The Rabbi, preparing for Yom Kippur, stands in the synagogue beating his breast and saying "I am nothing, I am nothing". The Cantor, standing alongside, does the same. The cleaner, seeing them, joins in and says "I am nothing, I am nothing". The Rabbi turns to the Cantor and says "Look who thinks he is nothing".
